

Foreword

Hey there, friends! Welcome to the end of the old world, and the start of something new.

We've come a long way from where we used to be, and I hope this place feels just as welcoming to you as it does to us. Kiki and Tama already love it. This little refuge, hidden on the edge of the ruins, feels like the perfect spot to begin again.

Nature has reclaimed the world out there. The cities and the machines all faded into the past. Now we're standing at the edge of it all, with the wild stretching out in front of us. It's up to us to make something out of it. Who knows what's still out there?

For now, let's stand together and build this place together. Explore. Meet new faces. Make friends. Look out for each other. Also, since we're sharing this space with other guests for the weekend, let's be respectful so everyone can enjoy their time here.

But most of all, **have fun and make some memories for our neverending story.**

From your friendly Chairdeer
Hopesa Camaraski

Guest of Honor - Kuttoyaki

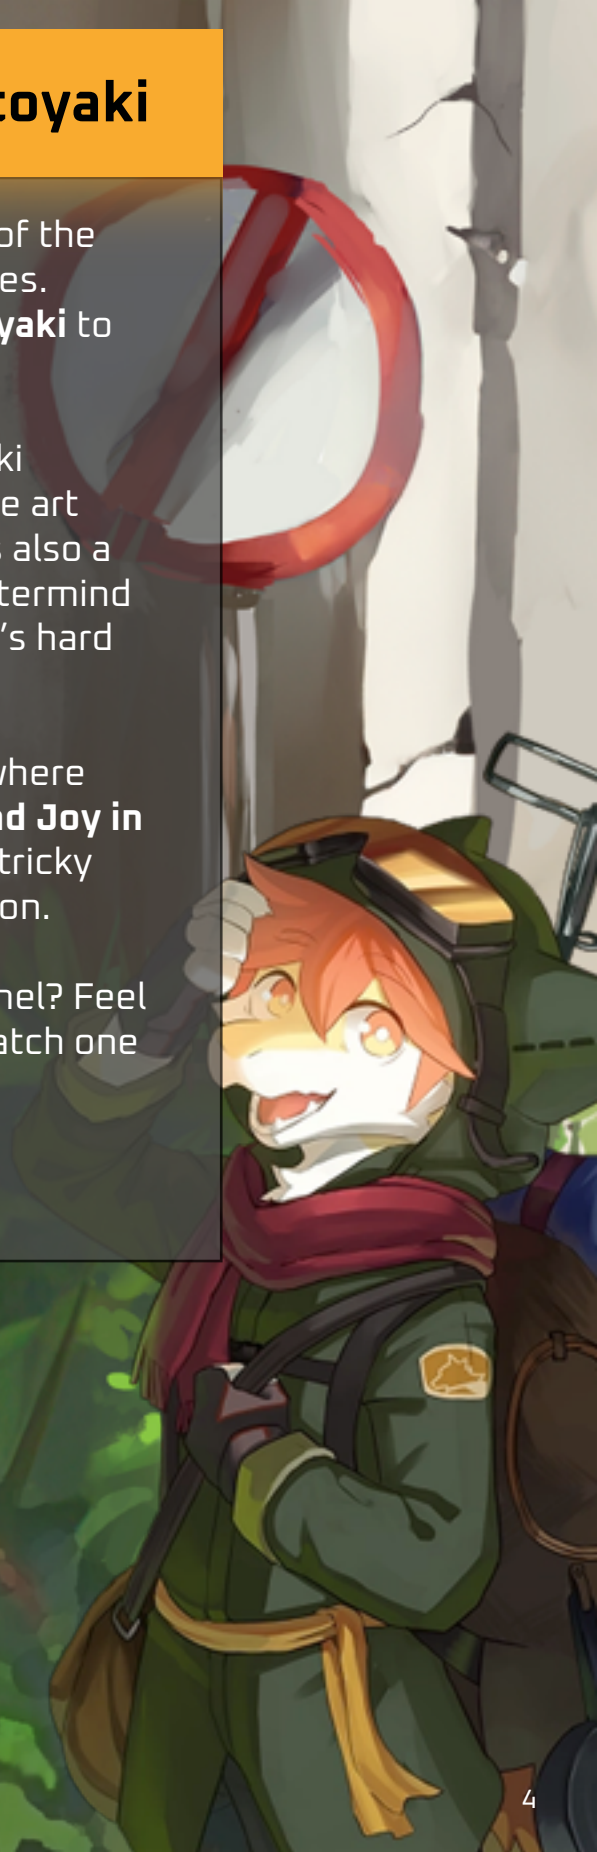

All the way from another corner of the world, Thailand, the Land of Smiles. We're excited to welcome **Kuttoyaki** to our little settlement!

You might already know Kuttoyaki for his adorable and unmistakable art style. Beside being an artist, he's also a streamer, a creator, and the mastermind behind heaps of cute merch that's hard to miss.

Join us for his talk show panel, where we'll be talking about **How to Find Joy in our Craft**, and how to keep that tricky balance between work and passion.

Curious about him before the panel? Feel free to check out his socials or catch one of his past streams!

We can't wait to see you there!

Guides and Tips

We at IWAG want to ensure you have a fantastic time during the convention. So we've put together some helpful guides for you.

If you think you have lost something, head over to **Convention Operations (Con Ops)** and inquire about it. We will note it down, and chances are, your item is already at Con Ops waiting for you! If you find a lost item, please bring it to Con Ops for safekeeping.

Stay connected by **subscribing to our Telegram channels and joining our Discord server**. These platforms will keep you updated on event schedules, last-minute changes, lost and found items, and other important announcements.

To keep the fun going for everyone, please read and familiarize yourself with the **IWAG Code of Conduct**. Adhering to it ensures a pleasant experience for all. If you have any questions or need help, our staff and volunteers are here to help.

Staying hydrated is essential, especially if you're in a fursuit or participating in many activities. We recommend carrying a water bottle with you. When you need a break, visit the fursuit lounge. If you need repairs, some fursuit makers can assist you.

Remember to **take regular breaks** to avoid exhaustion. Conventions can be a bit much sometimes. So if you feel too overwhelmed, rest in your room or find a quiet space in the public areas around the hotel.

Follow the **6-2-1 rule**: get at least 6 hours of sleep, 2 meals, and 1 shower each day!

If you feel unwell, unsafe, or notice someone who might need help, stop by **Convention Operations (Con Ops)** for help.

Make time to explore the **Dealers' Den, Art Corner**, and our **Panels** to have a full experience of the convention. Meet new furs and make friends, as building new connections is what these conventions are all about. Don't hesitate to say hi to new folks.

~ Above all, enjoy the convention responsibly, ensuring your fun doesn't impede on the enjoyment of other fellow furs. ~

Around us - BSD City

Our new home for the weekend has plenty to discover! BSD City is full of food, shops, and experiences waiting for you, whether you feel like exploring or just relaxing nearby.

During your stay, don't forget to check out sTREATs, the hotel's own restaurant for convenient dining. But if you feel like venturing out, there are lots of shophouses just a short walk away, and the traffic's not too bad this time!

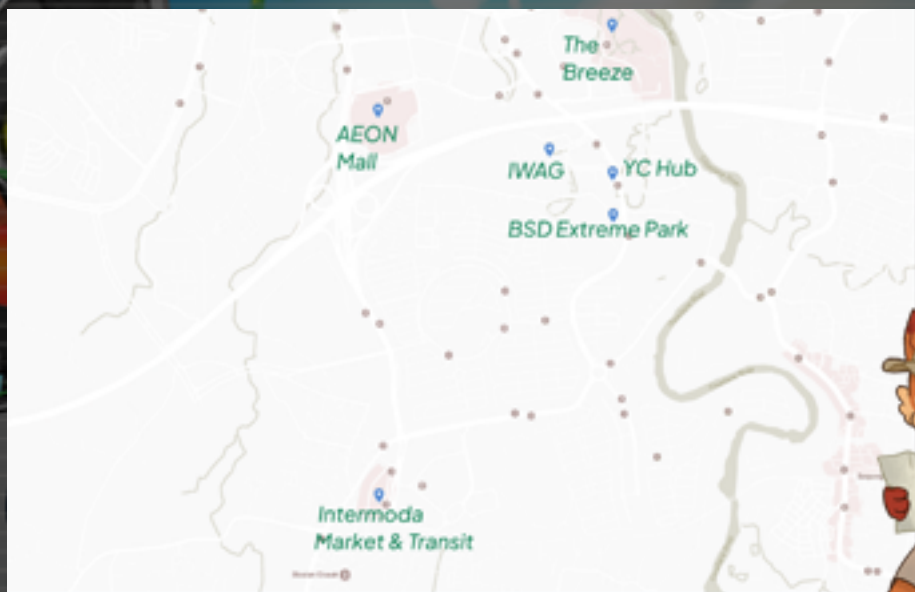

If you're staying at the hotel, enjoy the complimentary breakfast. It's a great way to start your day.

Here are some notable spots you might want to check out around the venue:

- YC Hub: A row of shophouses packed with restaurants, convenience stores, and even laundry services to make your stay comfortable.
- BSD Extreme Park: Feeling adventurous? Head here for some adrenaline-pumping activities.
- Intermoda: A bustling marketplace and transport hub. Grab some affordable street food from the hawkers, or hop on a bus to explore the rest of BSD. You can also connect to the commuter train from here.
- The Breeze: Want to treat yourself? This open-air lifestyle center offers aesthetic dining and chill vibes.
- AEON Mall: Need to stock up? This large mall has pretty much everything under one roof.
